

No	Title of the field	College	Cross section	educational group
1	cardiovascular diseases	medical	Clinical Specialist Assistant	Cardiovascular Department
2	Internal Diseases	medical	Clinical Specialist Assistant	Department of Internal Medicine
3	Obstetrics and Gynecology	medical	Clinical Specialist Assistant	medical
4	children	medical	Clinical Specialist Assistant	medical
5	Anesthesia	medical	Clinical Specialist Assistant	medical
6	Dermatology	medical	Clinical Specialist Assistant	medical
7	Pathology	medical	Clinical Specialist Assistant	medical
8	General surgery	medical	Clinical Specialist Assistant	Surgical Department
9	Psychiatry	medical	Clinical Specialist Assistant	Department of Psychiatry
10	ENT	medical	Clinical Specialist Assistant	Otorhinolaryngology department
11	Endodontics	Dentistry	Specialized dentistry	Department of Endodontics
12	Periodontitis	Dentistry	Specialized dentistry	Department of Periodontology
13	Oral and maxillofacial surgery	Dentistry	Specialized dentistry	Department of Oral and Maxillofacial Surgery
14	Oral diseases and diagnosis	Dentistry	Specialized dentistry	Department of Oral Medicine and Diagnosis
15	Restorative Dentistry	Dentistry	Specialized dentistry	Department of Reconstruction
16	Orthodontics	Dentistry	Specialized dentistry	Department of Orthodontics
17	Dental Prosthodontics	Dentistry	Specialized dentistry	Department of Prosthodontics
18	Radiology of teeth and jaws	Dentistry	Specialized dentistry	Department of Radiology
19	Pediatric Dentistry	Dentistry	Specialized dentistry	Department of Pediatric Dentistry

20	Oral and dental pathology	Dentistry	Specialized dentistry	Dentistry
21	Primo implant	Dentistry	fellowship	Dentistry
22	Prosthetic Implants	Dentistry	fellowship	Dentistry
23	Chronic Oral –facial Pain	Dentistry	fellowship	Dentistry
24	Bonding beauty based restorations	Dentistry	fellowship	Dentistry
25	Renal and urogenital tract surgery	medical	Clinical Specialist Assistant	Department of Internal Medicine
26	Infectious and tropical diseases	medical	Clinical Specialist Assistant	Infectious Diseases Department
27	Neurological diseases	medical	Clinical Specialist Assistant	Department of Neurology
28	Emergency Medicine	medical	Clinical Specialist Assistant	medical
29	Radiology	medical	Clinical Specialist Assistant	medical
30	Orthopedic	medical	Clinical Specialist Assistant	medical
31	Neurosurgery	medical	Clinical Specialist Assistant	Department of Neurosurgery
32	Radiotherapy	medical	Clinical Specialist Assistant	Department of Radiology
33	Physical medicine and rehabilitation	medical	Clinical Specialist Assistant	Occupational Therapy Group
34	Neonatal Super Specialty	medical	Specialty	Department of Pediatrics
35	ICU Adult	medical	Specialty	Anesthesiology Department
36	Anesthetics	Paramedicine	Associate degree	Anesthesiology Department
37	Anesthetics	Paramedicine	Bachelor for associate degrees	Paramedicine
38	medicine	medical	MD	medical
39	Medical Library & Information	Paramedicine	Master	Department of Library and Information
40	Medical insecticide and fight against carriers	medical	Bachelor for associate degrees	medical

41	Medical insecticide and fight against carriers	medical	Master	Parasitology and fungus Department
42	MBBS	medical	Master	medical
43	Laboratory sciences	Paramedicine	Associate degree	Department of Laboratory Sciences
44	Laboratory sciences	Paramedicine	Associate degree	Paramedicine
45	Radiology technology	Paramedicine	Associate degree	Department of Radiology
46	Clinical Biochemistry	medical	Master	Department of Biochemistry and Nutrition
47	Clinical Biochemistry	medical	Ph.D	medical
48	Medical Biotechnology	New medical science and technology	Master	medical
49	Molecular medicine	New medical science and technology	Ph.D	medical
50	Medical parasitology	medical	Ph.D	Parasitology and fungus Department
51	bacteriology	medical	Ph.D	Parasitology and fungus Department
52	Medical Biotechnology	New medical science and technology	Ph.D	medical
53	Epidemiology	New medical science and technology	Ph.D	Department of Epidemiology
54	bacteriology	medical	Master	Department of Microbiology
55	Immunology	medical	Ph.D	Immunology Hematology Department
56	Biomedical sciences	medical	Ph.D	medical
57	Medical parasitology	medical	Master	Parasitology and fungus Department
58	Medical Immunology	medical	Master	medical
59	Neuroscience	New medicine science and technology	Ph.D	Department of Psychiatry
60	Anatomical sciences	medical	Master	Department of Anatomy
61	Physiology	medical	Master	Department of Physiology
62	Neurophysiology	medical	Ph.D.	Department of Physiology
63	Behavioral Sciences	medical	Ph.D.	Department of Psychiatry

64	Medical Bacteriology	medical	Ph.D.	Parasitology and fungus Department
65	Molecular medicine	medical	Ph.D.	Department of Molecular Medicine and Genetics
66	Occupational Health Engineering	Health	Ph.D.	Department of Management and Health Economics
67	Virology	medical	Ph.D.	Engel Department and Vocational School
68	Oral Health	Dentistry	Associate degree	Department of Oral Medicine
69	Oral health technician	Dentistry	Associate degree	Dentistry
70	Dentistry	Dentistry	DDS	Dentistry
71	Pharmacy	Drug treatment	D Pharm	Pharmaceutics Department
72	toxicology	Drug treatment	Master	Department of Pharmacology and Toxicology
73	Nursing	Nursing and Midwifery	Bachelor for associate degrees	Nursing and Midwifery
74	Nursing	Nursing and Midwifery	Bachelor	Nursing and Midwifery
75	Nursing	Malayer Nursing	Bachelor	Nursing and Midwifery
76	Nursing	Paramedical Nahavand	Bachelor	Nursing and Midwifery
77	Nursing	Touyserkan	Bachelor	Nursing and Midwifery
78	Nursing	Nursing and Midwifery	Associate degree	Nursing and Midwifery
79	Nursing Special Care	Nursing and Midwifery	Master	Nursing and Midwifery
80	Nursing education	Nursing and Midwifery	Master	Department of Nursing
81	Nursing education (community health)	Nursing and Midwifery	Master	Community Health Department
82	Nursing Education (Children)	Nursing and Midwifery	Master	Department of Pediatric Nursing
83	Nursing Education (Internal Surgery)	Nursing and Midwifery	Master	Department of Nursing and Midwifery
84	Nursing Education (Psychiatric Nursing)	Nursing and Midwifery	Masters	Community Health Department
85	Nursing Education (Nursing Management)	Nursing and Midwifery	Master	Department of Nursing

86	Nursing	Nursing and Midwifery	Ph.D	Department of Nursing
87	Operating Room Technician	Paramedicine	Associate degree	Chamber of Practice
88	Nursing	Asadabad Nursing	Bachelor	Nursing and Midwifery
89	Midwifery	Nursing and Midwifery	Bachelor for associate degrees	Midwifery Department
90	Midwifery	Nursing and Midwifery	Bachelor for associate degrees	Nursing and Midwifery
91	Medical emergency	Nursing and Midwifery	Associate degree	Emergency Medical Group
92	Medical emergency	Nursing and Midwifery	Bachelor for associate degrees	Emergency Medical Group
93	Midwifery	Nursing and Midwifery	Associate degree	Nursing and Midwifery
94	Midwifery counseling	Nursing and Midwifery	Master	Midwifery Department
95	Maternal and child health	Nursing and Midwifery	Ph.D.	Midwifery Department
96	medical emergency	Asadabad Nursing	Associate degree	Emergency Medical Group
97	medical emergency	Paramedical Nahavand	Associate degree	Emergency Medical Group
98	Operating room	Paramedical Nahavand	bachelor	Department of Operating room and anesthesia
99	Biostatistics	Health	Master	Department of Biostatistics and epidemiology
100	Health Education	Health	Master	Department of Health Education
101	Ergonomics	Health	Master	Health
102	Epidemiology	Health	Master	Department of Educational and Cultural Affairs
103	General MPH course	Health	MPH	Department of Management and Health Economics
104	Management and health system reform	Health	MPH	Department of Management and Health Economics
105	Management of Prevention and Control of Addiction	Health	MPH	Department of Management and Health Economics

106	Social factors affecting health	Health	MPH	Department of Management and Health Economics
107	Health, Safety and Environment Management	Health	Master	Department of Management and Health Economics
108	Health and food safety	medical	Master	Nutrition Education Department
109	Environmental Health Engineering	Health	Master	Environmental Health Department
110	Environmental Health Engineering	Health	Ph.D.	Environmental Health Department
111	Ergonomics	Health	Ph.D.	Ergonomics Department
112	Epidemiology	Health	Ph.D.	Department of Biostatistics and epidemiology
113	Biostatistics	Health	Ph.D.	Department of Biostatistics and epidemiology
114	Managing the Disaster Cases and Accidents	Health	MPH	Department of Management and Health Economics
115	Operation and maintenance of urban sanitation facilities	Health	Master	Department of Occupational Health
116	Health Economics	Health	Master	Department of Health Education
117	Health communication and health promotion	Health	MPH	Department of Management and Health Economics
118	Occupational Health Engineering	Health	Master	Department of Occupational Health
119	Public health (family)	Health	Associate degree	Department of Management and Health Economics
120	Public Health (Diseases control)	Health	Associate degree	Public Health Education Department
121	Environmental Health	Health	Associate degree	Environmental Health Department
122	Environmental Health Engineering	Health	Bachelor for associate degrees	Environmental Health Department
123	Environmental Health Engineering	Health	Master	Environmental Health Department
124	Occupational Health Engineering	Health	Master	Department of Occupational Health

125	Occupational Health and Safety Engineering	Health	Master	Department of Occupational Health
126	Public Health	Health	Bachelor	Public Health Education Department
127	Public Health	Asadabad Nursing	Bachelor	Environmental Health Department
128	Occupational Health	Health	Associate degree	Department of Occupational Health
129	Public Health	Health	Bachelor for associate degrees	Department of Management and Health Economics
130	Occupational Health Engineering	Health	Bachelor for associate degrees	Department of Occupational Health
131	Health education and health promotion	Health	Master	Department of Health Education
132	Health education and health promotion	Health	Bachelor for associate degrees	Health
133	Ergonomics	Health	Ph.D	Ergonomics Department
134	Occupational Health Engineering	Health	Ph.D	Department of Occupational Health
135	Biostatistics	Health	Ph.D	Department of Educational and Cultural Affairs
136	Health education and health promotion	Health	Ph.D	Department of Health Education
137	Environmental Health Engineering	Health	Ph.D	Environmental Health Department
138	Anesthetics	Paramedicine	Bachelor	Anesthesiology Department
139	Laboratory sciences	Paramedicine	Bachelor	Department of Laboratory Sciences
140	Operating room	Paramedicine	Bachelor	Operating room Department
141	Radiology technology	Paramedicine	Bachelor	Department of Radiology
142	Audiology	Rehabilitation Sciences	Bachelor	Audiology group
143	Medical Library & Information	Paramedicine	Master	Department of Library and Information

144	Operating room	Paramedicine	Master	Operating room Department
145	Health information technology	Paramedicine	Bachelor	Health Information Technology Group
146	nutrition science	Paramedicine	Bachelor	Nutrition Education Department
147	Laboratory sciences	Paramedicine	Bachelor for associate degrees	Department of Educational Sciences
148	Operating room	Paramedicine	Bachelor for associate degrees	Chamber of Practice
149	Occupational therapy	Rehabilitation Sciences	Bachelor	Occupational Therapy Group
150	Speech Therapy	Rehabilitation Sciences	Bachelor	Paramedicine
151	Physiotherapy	Rehabilitation Sciences	Bachelor	Physiotherapy
152	Artificial organs and auxiliary devices	Rehabilitation Sciences	Bachelor	Artificial organs and auxiliary devices
153	Radiology technology	Paramedicine	Bachelor for associate degrees	Department of Radiology
154	Psychiatric Nursing	Nursing and Midwifery	Master	Psychological Nursing Department
155	community health Nursing	Nursing and Midwifery	Master	Community Health Education Group
156	Internal and surgical nursing	Nursing and Midwifery	Master	Department of Nursing and Midwifery
157	Pediatric nursing	Nursing and Midwifery	Master	Department of Pediatric Nursing
158	Nursing Management	Nursing and Midwifery	Master	Department of Nursing
